

TRANSPORTATION DEPARTMENT[761]

Adopted and Filed

Pursuant to the authority of Iowa Code sections 307.12 and 307A.2, the Iowa Department of Transportation, on December 14, 2016, adopted amendments to Chapter 605, "License Issuance," and Chapter 630, "Nonoperator's Identification," Iowa Administrative Code.

Notice of Intended Action for these amendments was published in the November 9, 2016, Iowa Administrative Bulletin as **ARC 2800C**.

The amendments make changes to comply with 2016 Iowa Acts, Senate File 2187, section 1, which amended Iowa Code section 321.189. The amendments:

- Streamline the process of obtaining a veteran designation on a driver's license or nonoperator's identification card and allow a licensee or cardholder to submit DD form 214 or Department Form 432035. For members of the national guard and reserve forces, the DD form 214 must indicate that the individual was honorably discharged after serving a minimum aggregate (total) of 90 days of active duty for purposes other than training. If the individual was a member of the national guard or reserve forces and has a discharge document other than a DD form 214, the individual must receive certification of veteran status from the Iowa Department of Veterans Affairs prior to applying to the Department for a license or nonoperator's identification card with a veteran designation.
- Provide that the Department may consult with and defer to the Iowa Department of Veterans Affairs regarding what constitutes a properly completed DD form 214 and veteran status in general.
- Provide for cancellation of the license or card based on error or fraud. The amendments also provide that a duplicate license or card may be issued without a veteran designation at no cost if the license or card was issued in error as long as the license or card was not issued as a result of fraud.
- Update the affected implementation sentences.

These rules do not provide for waivers. Any person who believes that the person's circumstances meet the statutory criteria for a waiver may petition the Department for a waiver under 761—Chapter 11.

Changes were made from the Notice of Intended Action to eliminate unnecessary references to 2016 Iowa Acts, Senate File 2187. Items 2, 4 and 6 as published in the Notice of Intended Action are no longer needed and have been removed. Subsequent items have been renumbered accordingly.

After analysis and review of this rule making, no impact on jobs has been found.

These amendments are intended to implement Iowa Code section 321.189.

These amendments will become effective February 8, 2017.
